EXPERIENCE

Motion Cut

Sept 2023 – Oct 2023

Motion Cut, we are passionate about video production and digital media, where I honed my skills as a full-stack web developer. Working within a dynamic team, I was exposed to the intricacies of creating immersive and user-friendly web applications. My time at Motion Cut not only deepened my understanding of various programming languages and frameworks but also provided me with a real-world understanding of the importance of seamless user experiences and efficient backend functionality in web development
